

Seaboard History

The Seaboard Villages are rich in history and heritage. Nearby is the Hilton of Cadboll stone and the Shandwick stone.

The sculpture trail in Balintore boasts 5 public works inspired by themes that reflect the history of the area: folklore, fortitude, fishing, the four corners of the earth and faith.

We also have photo albums full of old photographs from the villages. Have a look at www.seaboardhistory.com for more info.

Visitor Facilities

If you are visiting the Seaboard Area and need the use of toilets, a shower and a washing machine you can find these all at the Seaboard Centre. For a small fee the Centre will give you a code to allow you to enter the area at any time of the day or night.

There are lots of regular groups that use the hall. These include indoor bowling, Crafty Crew, art classes, music sessions, mother and toddlers, disco dancing, over 50s dance, drama group, self defence class and Kung Fu.
